The image shows the interior of the Mizura Lounge, specifically a conservatory section. The room features a high, vaulted ceiling with a grid of wooden beams and large glass panels that allow natural light. The walls are made of dark brick, and the floor is tiled. A long, tufted, light-colored leather sofa runs along the wall, with several small, round, dark tables placed in front of it. Each table is accompanied by a high-backed, light-colored leather chair. The lighting is warm and ambient, with some pendant lights hanging from the ceiling. The overall atmosphere is modern and sophisticated.

MIZURA LOUNGE

Our 'Mizura' tables are located in the conservatory section of the main bar and seats up to 30 guests in total, but can also be booked separately if necessary. This area is ideal for groups who would like their own space with the option to mingle.
